## BRYN ATHYN COLLEGE

<b>Date</b>	August 23, 2022
<b>Intended Audience</b>	BAC Employees
<b>Task Force Area</b>	Human Resources Office
<b>Author</b>	Scott Jones and Hannah Simons

### COVID-19 Employee Guidance for the 2022 School Year

Bryn Athyn College has moved to optional indoor masking for the 22-23 academic year. It will be important to work together to protect the college community. Please remember that the following mitigation measures could change if there is an increase in infection rates, either in the county or on campus.

#### Self-Monitoring

Currently, all employees are expected to self-monitor for symptoms of COVID-19 and work with their personal medical provider, supervisor, and the Human Resources Office, if symptomatic.

**Please notify your supervisor of a close contact or positive test as soon as possible.**

**This will assist us in controlling the spread of covid 19.** Employees who have tested positive will be expected to provide the Human Resources with a return to work note from their physician before returning to campus.

#### Quarantine and isolation procedures

We will continue to follow the CDC's recommended best practices for those that have been identified as close contacts or have tested positive.

#### Vaccination Submission

We strongly encourage employees to receive their booster updates when they become available and to provide those updates to Human Resources. We also ask all new employees to submit covid vaccination status.

#### Courtesy

Everyone on campus is expected use proper COVID-19 prevention techniques which can be found on the CDC web page. <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>

Please be aware that these policies are subject to change as new information becomes available. We thank you for your continued cooperation with our COVID-19 protocols and in helping protect our campus.
